The game is good...this pack was a lie...the game is almost dead it seems...

I bought this as a founder pack, with the intention that this pack was going off-sale at a later date, much like other people. Now I see that during the founder faze it was "Maybe?" a bit cheaper (thinking \$10-\$20 USD cheaper?) maybe not...point is it's now been re-named premium pack 1 and the only difference (other than possible price) that I can see is that founders got a special animated profile avatar pic that was already in the game as an un-animated pic...This pack is worth it if it's on sale or if your a collector. really the only reason I'm giving this a negative review is because this was a lie... much like the cake...at least the cake was free and you got an achievement.. Shows up as "founders pack" in the Steam library. The only difference between this and the pre-release founder purchases is an in-game animated profile avatar and the price.

So if you missed out on being a true founder with a .gif for an avatar, this has literally everything else they got - the animated weapon skins and the M4A1 and L115A5 cosmetic variants. Multiple other permanent weapons and three characters as well. All but the unique weapon skins are available in-game without buying the package, though they'll likely cost you more. Bit pricey, costing more than a AAA game but if you do plan on playing LoS and have the money on hand I'd recommend picking it up to save a lot of time grinding GP, as well as real money should you choose to purchase the individual items with gems in-game.. i like the fact that the sniper is more stable and feels different but i had high hopes in the raptor , but the raptor is as good as any other guns so , saying that i hope you guys actually improve on the gun because it cost alot of money .. ITS A GOOD STARTING PACKAGE BUT WILL THE DEVELOPERS OFFER THE FOUNDERS MORE ITEMS\WEAPONS EXCLUSIVE FOR FOUNDERS ONLY OR AT LEAST A CERTAIN AMOUNT OF GEMS A MONTH FOR LIFE FOR JUST BEING A FOUNDER? THE GAME IS AMAZING AND I WOULD LOVE IT IF FOUNDERS GOT PERKS. The game is good...this pack was a lie...the game is almost dead it seems...

Guys Keep Going !!!!. Bought as Founder Pack with the intention that it was to be removed when the game went free to play.

Now it's free-to-play and has been rebranded Premium Pack I.

\u2665\u2665\u2665\u2665 you, Blackspot.. Originally sold as the "founders pack" with the promise that it would be for sale untill the game went free to play they then re-named it premium pack 1 and straight up gave is false promises. So we support the damn game, then get stabbed in the back. Blackspot eat a bag of\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665you lying \u2665\u2665\u2665\u2665\u2665.
